TELEPHONE COMPANY MAY BUILD NEW EXCHANGE BUILDING ON NORTH SIDE

Work to Be Started on Toll Line Extensions at Once. To Open Office in New Bank Building.

A new telephone exchange building on the north side is what the officials of the new Tri-State Telephone and Telegraph company, which will take over the franchise of the Southwestern Telephone and Telegraph company here, are considering for the immediate future.

Vice president Philip Hamlin, who has been here to arrange for the transfer of the franchise, together with R. F. Morris, the new general manager of the Tri-State company, who arrived this morning from Colorado Springs, will make a study of local conditions to decide definitely if the needs of the telephone service in El Paso demand such a building to contain a branch exchange supplementary to the main exchange on Texas street. If this investigation results as these men expect the new building will be made of sufficient size to be used as the general office building of the Tri-State company.

In addition to the proposed branch exchange on the north side the Tri-State company is making definite plans for building the toll lines out of El Paso to connect with important points to the north and west. The Denver line will be commenced immediately, and the line to Douglas and Bisbee will also be started as soon as the materials can be secured. The new company expects to spend a total of \$300,000 in completing the toll lines out of El Paso to the important points in the southwest and which will make El Paso the most important telephone point between Dallas, Denver and Los Angeles. The organization of the local telephone plant of the company will not be disturbed except that P. H. Irwin, the present manager of the Southwestern Telephone and Telegraph company, which is the merged company, will become chief engineer of the Tri-State company and will be in charge of the construction work. Before taking the position as manager of the plant, Mr. Irwin was engaged as a phone engineer. R. F. Morris, who has been district

Three Specials at the Big Piano House This Week.

THIS SHOULD INTEREST YOU.

Actually the best piano values being offered in high grade pianos in El Paso today can be found at our new store, 115 Stanton St., cor. Texas.

We call special attention to the handsome cabinet grand upright Kingsbury piano now on exhibition in our show window. Planes of the same quality sell everywhere when new at \$100. This piano has had three months' use. It is absolutely as good as new. Goes now at \$275. Terms to suit the buyer.

Two more equally as good bargains in first-class high grade pianos on our floor.

We are the manufacturers' agents for the following renowned pianos: Schner & Co., Ivers & Pond, Behr Bros., Krell, H. P. Nelson, Pease, Adam Schaff, Royal and Singer. Where did you ever see as many different makes of high grade pianos represented by one firm.

COLUMBIA HOTEL IS TORN DOWN FOR OPENING ON SAN ANTONIO STREET

The first real wrecking for the opening of San Antonio street through El Paso began Saturday afternoon with the tearing down of the old Columbia hotel on Chihuahua street.

The Thornton house on Leon street has been sold to Dr. G. B. Calnan and it will be torn down at once to make room for the street opening. The El Paso street stores which have been demised for the street opening will be razed as soon as the occupants find other locations.

RIO GRANDE BANK IS IN NEW HOME

Take off your hat, scrape your feet at the door and present no ragged or soiled bills at the Rio Grande Valley bank. The Texas street banking company has moved. It is now at home to its friends and patrons in the new bank building, the first of a number which are to be built in El Paso.

GEN. MILLS RETURNS TO WASHINGTON

Will Be Back When Bids Are Opened for the Mills Skyscraper.

Gen. Anson Mills left for Washington, D. C., Saturday afternoon on the delayed Golden State Limited. He was accompanied by Wilbur Keblinger, his private secretary, who accompanied him to El Paso. Before leaving Mr. Mills arranged to have the final plans drawn for his building and these will be given to the contractors as soon as they are completed. Mr. Mills said he had obligated himself to build a building at least eight stories high and that depended upon the price the contractors made as to whether it would be increased to 10 or 12 stories. The general will return from Washington when the bids are ready to be opened and will make a definite decision at that time.

Finally

Coffee does hurt most people. Why run the risk when

POSTUM

is harmless and wholesome?

"There's a Reason"

Free If It Fails

Your Money Back if You are Not Satisfied with the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen the organs and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of the world's greatest research chemist, as an active agent it possesses the valuable qualities of the best known intestinal tonics as well as being particularly pleasant and prompt in its results.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands.

They do not purge, cause excessive looseness nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity, day or night.

They come in two sizes of packages, 12 tablets, 10 cents; 36 tablets, 25 cents. Sold in El Paso only at our stores.—The Rexall stores, People's Drug Store and Kelly & Pollard.

CURRY TO OPEN EL PASO OFFICE

Former Governor of New Mexico Will Hereafter Deal in Lands.

Former governor George Curry, who recently resigned as governor of New Mexico to engage in business, will have an office in El Paso, the former New Mexico executive will engage in a general real estate and promotion business, making a specialty of Mexico and New Mexico lands.

He will have his headquarters at Texas, W. M. Co. but also have an office in El Paso for transacting his business. The former governor was here Sunday on business, returning to Tularosa this morning.

Do you know that croup can be prevented? Give Chamberlain's Cough Remedy as soon as the child becomes hoarse or even after the croupy cough appears and it will prevent the attack. It is also a certain cure for croup and has never been known to fail. Sold by all druggists.

THE WRIGHT-DUEING ANTITOXIN FOR THE CURE OF TUBERCULOSIS

CONSUMPTION CURED WITH ANTI-TOXIN FIVE YEARS AGO.

A Remarkable Test of the Merits of the Wright-Dueing Antitoxin for the Cure of Tuberculosis.

The cure of Mr. P. J. Martin of Louisville, Ark., offers to those afflicted the most reliable encouragement, because he was in the last stage of the disease when he went under our Antitoxin treatment. His local physician and associates had given up all hope of saving his life—the fact, said he could not live more than a few days when he commenced to take the Antitoxin treatment. Mr. Martin's normal weight before he was taken sick was 140 pounds, while sick, lost until he only weighed 100 pounds. At this writing he weighs 130 pounds and is in excellent health.

Don't take our statement wholly in the matter. Read the following letter from Mr. Martin. Then, if you wish, write to him, and learn direct how he is today and what he thinks about the merits of the Antitoxin treatment, our ability, reliability, etc.

Wright-Dueing Antitoxin Co., St. Louis, Mo.

Gentlemen: Five years ago I was afflicted with galloping consumption. I tried treatment of my home doctors. I grew worse every day. They finally told me they could do no more for me. By this time I was so sick I could not raise my head from the pillow. I was taken to you on a stretcher, and notwithstanding my bad condition I commenced to improve at once under your Antitoxin treatment, and in four months' time I was able to attend to business, leave contracting, every day. My normal weight was 140 pounds. I now weigh 130 pounds, and feel better than I have ever felt. I also feel as if I cannot say enough in behalf of your Antitoxin for the cure of tuberculosis.

Your sincere friend,
P. J. Martin

Mr. Martin is a responsible and reliable business man. He would not have written the above letter unless he felt great gratitude for what had been done for him, and a desire to help others afflicted as he was.

Don't fail to investigate the merits of our Antitoxin. It is to your interest. It has saved the lives of others and will yours if you do not delay until it is too late.

We have established offices for the Wright-Dueing Antitoxin company in El Paso, San Antonio and Dallas, Texas, for the purpose of demonstrating what our Antitoxin treatment for the cure of Tuberculosis will do under the most favorable climatic conditions. The wisdom of the move has already been shown. The results are more apparent, and come in less time than in the less favorable climate. We have under treatment already many cases that are showing most satisfactory improvement, and will result in cures more readily than those effected in the north where all our demonstrating was done before we opened in the southwest.

For further information, consultation, examination and full particulars call on or write to
THE WRIGHT-DUEING ANTITOXIN COMPANY,
Suite 30, 3d floor, City National Bank Bldg., Dr. T. Marion Skotts, Physician in charge.

HAPPY WOMEN

Pleanty of Them in El Paso, and Good Reason For It. Wouldn't any woman be happy. After years of backache suffering. Days of misery, nights of trouble. The distress of urinary troubles. She finds relief and cure? No reason why any El Paso reader should suffer in the face of evidence like this:

Mrs. H. L. Packard, 611 Texas street, El Paso, Texas, says: "Doan's Kidney Pills have been used in our house for over a year and their merit has been amply proved. The person having occasion to take this remedy, complained of a pain in the small of the back and right side and at times the suffering was so acute that it was almost impossible for the patient to turn in bed. Soon as Doan's Kidney Pills, procured at Kelly & Pollard's drug store, were used the condition of the patient improved and there has been but little trouble since. I highly recommend Doan's Kidney Pills to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

EL PASO MANUFACTURERS TO MAKE EXHIBIT AT CHAMBER

That a display of products from local factories will be exhibited at the chamber of commerce building, was announced by a number of manufacturers at a meeting of the directors Saturday. All who desire to make a display, must signify their intention by March 22, according to the provisions of the offer by the management. Those accepted for membership Saturday are D. G. Heintzman, Monte Haley, Rinehart Bros. White's Pharmaceutical company, Charles M. Gibson, and Lee & Woodyard.

The monthly financial report of secretary Kinne, showing a cash balance of \$218.65, was also read.

The next meeting of directors will be held on March 28.

PROMINENT LABOR MEN SPEAK HERE TONIGHT

El Paso labor folk are entertaining two prominent traveling organizers from abroad—W. H. Wisner, of the United Garment Workers of America, and W. A. Sexton, representing the United Brotherhood of Carpenters and Joiners of America.

Both visitors will speak at the regular meeting of the Central Labor union at 8 o'clock tonight. Plans will be made to call a mass meeting within a week.

HERE FOR TRIAL

R. Jarrett, alias "Dutch" arrested at Dallas in connection with a case of alleged horse smuggling, has arrived in El Paso where he will be tried at the April term of the federal court.

Art Work Is Stolen

San Francisco, Cal., March 14.—Jean Francis Miller's famous painting "The Shepherd and Flock," valued at \$10,000, was stolen from the art museum in Golden park. No one saw the daring thief cut the world renowned canvass from the heavy frame. The work of art of the Shepherd and Flock, painted by M. J. Spomer, of this city, who is now traveling in Europe. It was insured against fire for \$10,000.

John F. Critchett, of this city, is chief chemist and assistant superintendent of the Masapal Copper company, operating mines at Concepcion del Oro, state of Mexico.

Riggs Chauvenet, geologist of the Colorado School of Mines, is here examining the Mount Franklin tin mines and ore deposits. He is a brother of the president of the company, who lives in Pittsburgh.

Ben C. Williams, of Dragon mining camp, Arizona, was in town Saturday buying machinery and supplies for his mines.

J. G. Siler, a mine owner at Hachita, has shipped a car of rich lead-silver ore to the smelter.

Robert G. Mullen, mining man of this city, has returned from a trip to Kansas City. He is operating in the Black Rock mines.

Prof. C. O. Lagerfelt has returned from a professional mining trip in southern Chihuahua, Mexico.

M. D. Gaylord, mining engineer, has recently returned from New York city, where he successfully procured a sale of one of the largest copper properties in the northern part of Mexico. As soon as all the conveyances are executed work will begin on a large scale, with drills and shafts. The properties aggregate about 1,000,000 acres, and are richly mineralized with disseminated copper sulphides.

J. Winchester Holman, of Chicago, representing the Mining World, is at the Sheldon.

John B. Farish and son Fred Farish mining engineers of Denver, are at the Sheldon after a trip in Mexico.

L. C. Barlow, mining engineer from White Oaks, is at the Sheldon.

J. Winchester Holman, secretary and treasurer of the Mining World, of Chicago, is here on business. He says mining business is picking up everywhere.

S. W. Traylor, mining engineer, of New York, is at the Sheldon.

Charles A. Shelby, a wife, of Cananea, are at the Sheldon. Mr. Shelby is superintendent of the reduction division of the Cananea Consolidated Copper company.

George C. Kaufman, general manager of all the mining departments of the Guggenheim interests, the mining department of the American Smelting and Refining company, and the Exploration company, is at the Sheldon with his wife.

Howard Paschal, president of the Tri-Bullet Smelting and Development company, is at Kelly, N. M., looking after his properties.

Samuel W. Traylor, of New York, is making an extensive tour of the west examining properties in New Mexico, Arizona, Nevada and California. He expects to return to New York about the middle of April.

CONSUMPTION CURED WITH ANTI-TOXIN FIVE YEARS AGO.

A Remarkable Test of the Merits of the Wright-Dueing Antitoxin for the Cure of Tuberculosis.

The cure of Mr. P. J. Martin of Louisville, Ark., offers to those afflicted the most reliable encouragement, because he was in the last stage of the disease when he went under our Antitoxin treatment. His local physician and associates had given up all hope of saving his life—the fact, said he could not live more than a few days when he commenced to take the Antitoxin treatment. Mr. Martin's normal weight before he was taken sick was 140 pounds, while sick, lost until he only weighed 100 pounds. At this writing he weighs 130 pounds and is in excellent health.

Don't take our statement wholly in the matter. Read the following letter from Mr. Martin. Then, if you wish, write to him, and learn direct how he is today and what he thinks about the merits of the Antitoxin treatment, our ability, reliability, etc.

Wright-Dueing Antitoxin Co., St. Louis, Mo.

Gentlemen: Five years ago I was afflicted with galloping consumption. I tried treatment of my home doctors. I grew worse every day. They finally told me they could do no more for me.
